BIOLOX<sup>®</sup>delta conventional femoral heads and inserts as well as BIOLOX<sup>®</sup>OPTION are registered by CeramTec's customers. The products are not registered / available in all countries. Caution: Thin-walled inserts for modular dual mobility systems and direct-to-bone ceramic acetabular cup for monobloc dual mobility systems are not approved by any authorities and are not commercially available. These products are not cleared or approved by the FDA for distribution in the United States. All statements are provided for educational purposes. For product, safety, and risk information, always refer to the labeling of the legal manufacturer.

BIOLOX<sup>®</sup>delta, BIOLOX<sup>®</sup>OPTION, BIOLOX<sup>®</sup> and CeramTec are registered trademarks of the CeramTec Group, Germany.
